

Composites Australia Inc. CONNECTION MAGAZINE ADVERTISING PACKAGES

Composites Australia is a member-based, not-for-profit association established to advance the Australian composites industry.

Our official publication, the Connection magazine, provides a direct channel to industry leaders and professionals – from manufacturers, suppliers, and distributors to educators and researchers across all market segments – offering a targeted platform for your message to reach the national composites community.

CONNECTION MAGAZINE ADVERTISING 2025

For over 20 years, Connection has been the official magazine of Composites Australia — the peak body representing composite manufacturers, suppliers, researchers, educators, and consultancy service providers.

Published three times a year, the 20-page full-colour magazine is mailed to all financial members, industry bodies, and key government stakeholders, and is also available online. The digital edition is promoted to a broad database of e-news subscribers and social media followers, and is freely downloadable from the Composites Australia website.

With high-quality editorial, design, and production, Connection showcases the capabilities of the Australian composites sector. Recognised across Australia and internationally, it offers a trusted platform to promote products and services to the industry.
